Agency: Department of Licensing

Subject of possible rule making: Chapters 308-56A Certificates of Title – Motor Vehicles Etc. and 308-96A Vehicle Licenses. To include but not limited to rules associated with implementation of 2SSB 5916, Tax Incentives for Clean/Alternate Fuel Vehicles.

Statutes authorizing the agency to adopt rules on this subject: RCW 46.16.010

Reasons why rules on this subject may be needed and what they might accomplish: Rule making may be required to implement the requirements of 2SSB 5916, that was passed in the 59th Legislature (2005 Regular Session). A new rule would describe how the Department of Licensing would work with the Department of Revenue and provide a list of qualified vehicles that are provided by the Environmental Protection Agency.

Identify other federal and state agencies that regulate this subject and the process coordinating the rule with these agencies:

How interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication:
